

MILITARY MISSIONS IN ACTION

Homeowner Agreement

I understand and acknowledge that Military Missions in Action (MMIA) is an organization of volunteers which provides services to military veterans with disabilities in the form of minor home repairs and maintenance free of charge to qualified program recipients. I further acknowledge that MMIA, a non-profit organization, provides this service to approved, qualified recipients as a public service according to an agreed upon scope of work between me (the homeowner) and MMIA prior to commencement of the work.

I also understand and acknowledge that MMIA volunteers are not necessarily craftsmen in the particular trades of work which may be part of the agreed upon scope of work and, therefore, the work performed will be to the best of the ability of the participating volunteers and in accordance to the National Building Code of Specifications. Therefore, I hereby agree to accept the work of the volunteers of MMIA as it is to be performed in an "as is" condition upon its completion.

I further understand, acknowledge, and agree that neither I nor my heirs, assigns, administrators, agents, executors, or any other individual or entity purporting to represent me or my interests will have any right to redress for any of the work performed on my behalf. And, in consideration of services which are to be provided to me by MMIA, I do hereby agree for myself, my heirs, my assigns, my executors and/or my administrators, to waive any right of cause of action against MMIA, its Board of Directors, its officers, its employees, its agents and/or its volunteers which may accrue either individually or collectively and hold them harmless from all liability.

I accept as a condition of receiving these services by MMIA to participate in work being performed to the extent that I am physically capable. I likewise accept that same condition for any and all capable members of my household and/or for relatives that may be present at my home during work times.

Furthermore, I authorize MMIA to use for promotional purposes any photographs or video images of me and/or my premises for any article, advertisement, electronic media, and/or television commercial without any expectation of remuneration.

I also understand that there can be up to a two year waiting period for my project to be complete.
